

IBT

International Benchmark Test

WHAT IS THE IBT?

The International Benchmark Test (IBT) is an internationally administered program of assessments for students in years 3 to 10.

There are tests in English, Mathematics and Science, all of which are aligned with international curricula.

The IBT is one of many high-quality educational assessments developed by ACER, a world leader in assessment and reporting.

BENEFITS FOR SCHOOLS

Benefits for schools participating in the IBT include:

- Individual student reports that highlight skills, strengths and weaknesses.
- Group reports that allow schools to rank and compare students.
- Scaled scores to monitor the progress of students over time.
- Regional and international comparisons of student and school performance.

BENEFITS FOR STUDENTS & PARENTS

Benefits for students participating in the IBT include:

- Individual reports that highlight strengths and weaknesses in each subject area.
- A Certificate of Achievement for each subject – Honour, High Distinction, Distinction and Participation.
- A comprehensive way of monitoring academic progress as the child moves through school.

REPORTS

Schools participating in the IBT program receive a set of quality reports that present individual student performance and compare student and school performance against national and international benchmarks. Reports include comparisons to:

- Students at their own school
- Other students in their country or region
- All students who have participated in the IBT program internationally

TEST CONTENT

The IBT Tests are skill-based, and they do not follow any single national curriculum. This allows students from all countries to be compared fairly. The duration of each test is 60 minutes. There are 40–45 multiple-choice questions on each test.

ENGLISH

Strands Assessed

- Reading Comprehension
- Spelling
- Punctuation
- Grammar
- Vocabulary

MATHEMATICS

Strands Assessed

- Number
- Measurement
- Space
- Chance and Data

SCIENCE

Strands Assessed

- Earth Science
- Physical Science
- Life Science
